

Earth Systems

Can you identify which system (or systems) is shown in each picture?

1 = Atmosphere

2 = Biosphere

3 = Cryosphere

4 = Geosphere

5 = Hydrosphere

Atmosphere & Hydrosphere

Biosphere

Are you beginning to see that Earth's systems interact or work together?

- ▶ Look at the next set of pictures
- ▶ Show with your fingers which system is depicted.
- ▶ Use two hands if you wish.
